

COLLINS STEWART IS PROUD TO BE TITLE SPONSOR OF THE LONDON BOAT SHOW 2007

London, 5 January 2007 - Collins Stewart, the UK's leading independent stockbroking, corporate advisory and wealth management business is proud to be the title sponsor of one of the world's most high profile boat shows, the London Boat Show 2007.

With offices in London, New York, Jersey, Guernsey, Isle of Man, Dublin, Paris, Geneva, Milan, Tokyo and Mumbai, Collins Stewart has one of the UK's broadest financial services practices and, in 2006, it was the number one raiser of finance for companies on the London Stock Exchange's Alternative Investment Market (AIM).

Collins Stewart is the largest private client stockbroking and portfolio management business in the Channel Islands, and is one of the UK's leading wealth managers for private clients, trusts, charities and private companies. The company's wealth management division offers the full range of stockbroking and portfolio management services tied to individually tailored portfolios, backed up by high grade research and innovative ideas. Differentiated from its competitors by its exceptional entrepreneurial can-do attitude, Collins Stewart is focused on delivering performance and service, coupled with transparent performance reporting and performance related fees.

Following Collins Stewart's recent demerger from Tullett Prebon, one of the world's largest inter dealer brokers, the London Boat Show will allow Collins Stewart to boost awareness of the company and its services.

Joel Plasco, Chief Executive of Collins Stewart commented: "It is a great privilege to be title sponsor of the London Boat Show and to be able to contribute to this remarkable event. The UK leisure marine industry is thriving and creating significant employment and wealth for the country, last year generating a total turnover of £2.8 billion. Collins Stewart has been associated with wealth creation and wealth management since the company was founded in 1991 and we look forward to working closely with the London Boat Show to ensure its ongoing success."
